

STATEMENT OF PURPOSE

RS18657C1

The intent of this legislation is to allow the five percent (5%) that is annually distributed to the Idaho State Police (ISP) Account from the Highway Distribution Account (HDA) to remain in the HDA for fiscal year 2010. The shortfall to the ISP Account will be made up from the General Fund for that year. The following year (fiscal year 2011), the distribution of money will revert back to 5% being distributed to the ISP Account from the HDA.

FISCAL NOTE

This will have a fiscal impact of approximately \$3.24 million from the General Fund.
